**NOV 12**

Hands-on  
learning  
experience  
with lots of  
guided  
practice.

Don't just  
take a picture,  
learn to create  
an image.

**Beginner's Class** is an introduction to the exposure triangle, white balance, focus, metering, and learning how to use your camera to start creating great images. This class offers lots of hands-on, guided practice exercises.

**Intermediate Class** will focus more on using your camera to create great images with lots of hands-on, guided practice that will get you comfortable with camera settings and adjusting them based on what you are shooting.
